

Business Travel and Expense Reimbursement Policy

Document Code: POL-FIN-005 | Department: Finance | Effective Date: March 1, 2026

1. Air Travel

Economy class is required for domestic flights and international flights under 6 hours duration. Business class requires VP-level pre-authorization.

2. Lodging Limits

Standard hotel reimbursements are capped at \$200 per night for standard tier cities and \$300 per night for high-cost metropolitan areas.

3. Per Diem Meals

A daily meal allowance of \$75 is provided for approved business travel. Itemized receipts are required for all meal expense claims above \$25.

4. Submission Window

Expense reports must be filed within 30 days of trip completion via the corporate finance portal.
